**NOTIFICATION OF DOCKET ENTRY**

This docket entry was made by the Clerk on Tuesday, June 18, 2024:

MINUTE entry before the Honorable Steven C. Seeger: The Executive Committee recently reassigned this case from the calendar of Judge Leinenweber, who passed away after decades of extraordinary public service. By June 25, 2024, the parties must file a joint status report that brings the Court up to speed on the status of the case. The status report should (1) provide a short overview of the nature of the case, and identify all pending claims and counterclaims; (2) identify and summarize any significant rulings; (3) identify any pending motions, especially if there is any time sensitivity; (4) provide an update on discovery; (5) identify any trial date on the calendar; (6) provide an update on settlement discussions, and so on. That list is non-exhaustive. Basically, let the Court know anything that it needs to know to learn about the case. The status report should be neutral and non-argumentative. A status report that is a few pages long should suffice. The Court thanks the parties for their anticipated cooperation. Mailed notice. (jjr, )
